

Attack the Stack

HVED will be hosting an evening of “Supported Paperwork.” This evening is to provide teachers with the opportunity to apply previous training information for quality and compliant paperwork with the guidance and support of HVED coordinators and directors. HVED recognizes that you put in extra hours to complete all of your due process documentation requirements. We want to give you a chance to do the work while learning from colleagues with HVED support.

In addition, we will have information about what should happen prior to the IEP meeting, evaluation plans, transition and collaboration.

- When:** Tuesday, 02/07/17 and Thursday 02/09/17
- Where:** HVED District Office, 1410 Bundy Blvd, Winona, MN
- Time:** 4:00 PM – 7:00 PM you may attend all or part of the time; CEU Certificates will be available for actual hours of attendance.
- Who:** Any member district special educator or HVED employee working with students ages 3-21 needing/wanting support to complete paperwork.
- What to Bring:** Bring your laptop and any file that you intend to work on. Internet access will be available. Printing will not be available.
- Food:** There will be a light meal provided.
- Registration:** You must pre-register at professionaldevelopment@hved.org so we have enough materials, food and support available.
